Greetings!

As president of the Tidewater Virginia USBC, it is with great pleasure that I welcome you to our 35th Annual Hall of Fame induction ceremonies.

The Hall of Fame was established in 1986 for the purpose of honoring those who have shown excellence in their abilities in the categories of Superior Performance, Meritorious Service, and the up-and-coming Stars of the Future who will one day be our future in the sport of bowling.

Please join me in giving thanks to those who have made this evening's activities so exciting and to congratulate the newest inductees.

I trust that each of you will enjoy the ceremony and I look forward to working and bowling with you for many years to come. Please enjoy the evening.

Yours in bowling,

David Deary  
President, TVUSBC

**Meritorious Service  
Renay Washington**

Renay has been the secretary/treasurer of the Charles Peete League at AMF Norfolk Lanes for 22 years. Not only does she collect fees from approximately 300 bowlers; verifies the accuracy of weekly bowling envelopes; pays the center its weekly fees; and deposits league fees in the bank, she bowls in the league!

Her night is not over once she's home from the league. She manually inputs bowling scores into her home computer; verifies the accuracy and uploads information to the "system in the sky." League bowlers are amazed when checking their email the next day to find the latest standings have already been updated. Renay also attends league meetings, documents changes to existing by-laws, and updates bowlers of local and national rule changes.

It is with great pleasure that the Tidewater Virginia USBC inducts Renay Washington into our 35th Annual Hall of Fame for Meritorious Service this 2nd day of November 2024.

### Superior Performance Daniel E. Hawk

Born in Columbus, Ohio and raised in Tampa, Florida, Dan Hawk earned the rank of Eagle Scout in February 1986 and graduated from high school in June 1986. That same month, he followed the tradition started by his father, two uncles, and brother, and entered the Navy. By September 2001, Dan found himself aboard the USS *John F. Kennedy*, and deployed with his three brothers during the 2002 combat deployment to Operation Enduring Freedom. He retired in 2008 as a Chief Petty Officer.

Dan started league bowling at age 10, eventually lettering in high school bowling. He returned to the sport he loves after retirement from the Navy, and participates in at least three leagues a week. Dan is an inaugural member of the Underground Bowling Association Demolition Crew team. He competes in tournaments around the country including PBA50 regionals; USBC Open Championships; the Military Team Classic; Military Bowling Championships; the Hoincke and sweepers from Florida to Virginia. Dan is a TVUSBC director, a PBA Booster Club of Hampton Roads team member, and on the Board of Directors for Strike Against Suicide – Spare a Life.

Dan's highest series is 816, followed by several 700 series topping out at 769. He has had eight 300 games and a 299. Dan's highest average of 222 came in 2023. He's also carried high averages of 221 (2023-24), 220 (2022-23) and 218 (2020-21).

It is with great pleasure that the Tidewater Virginia USBC inducts Daniel E. Hawk into our 35th Annual Hall of Fame for Superior Performance this 2nd day of November 2024.

**Superior Performance  
Charles Campbell**

Charles "Charlie" Campbell has been a TVUSBC member for more than 22 years, and has bowled in over ten TVUSBC City and ten Virginia State USBC tournaments.

Charlie's highest series of 858 is included in his tally of 30 800 plus series, along with 42 300 games. Since 2009, he has averaged over 220 in multiple leagues with his highest average of 240 occurring in 2017. Charlie has six appearances in the "Tidewater Men's Top 5" – which requires league bowling in at least two centers for a composite average – placing first in the season ending in 2017, third in seasons 2013 through 2015, and fifth in seasons 2011 and 2016.

From 2007 to 2009, Charlie attended Saginaw Valley State University on a bowling scholarship, graduating with a Bachelor's in Engineering Technology Management. He was also on the American Heartland Intercollegiate Bowling Conference (AHIBC) Men's All Conference Second Team 2007-2008. Charlie earned Bowler of the Week honors for the Bay Area Bowling Association (Michigan) for rolling an 845. He also won a Colonial Williamsburg Scratch Team title (Virginia) along with Mike Campbell, Anthony Petrello and Ed Pitcavage.

It is with great pleasure that the Tidewater Virginia USBC inducts Charles Campbell into our 35th Annual Hall of Fame for Superior Performance this 2nd day of November 2024.
